

2022 *Kingsmen Series*

The Kingsmen is a professional group of community-oriented men and women dedicated to preserving the Western Heritage value that stimulated the growth and identity of Kingman, Arizona. The Kingsmen support civic and charitable initiatives to promote Kingman as a highly desirable city for area families and tourists.

The Kingsmen Series is a 6 show gymkhana series. Starting October 22, 2022. We will be hosting a 4-event show once a month. The series is open to all ages, men, women, and children. The purpose is to give families of the equine community a regular event to participate in, compete and all the while have fun with friends and family, also giving the rest of the community a competitive sport to come and watch.

We would like for our local businesses to help support us and the community in this by sponsoring at any level.

Gold Sponsor Level	\$400	Award Sponsor	\$ 450
